

Dear Valued Patient:

Looking Back

There are exciting changes taking place at Harmon Vision Center. I have sold the practice to Dr. Christi Blood-White, who joined our office last year. I am happy to introduce you to the new *Focal Point Eye Care*. The practice will be at the same location with the same caring staff you have come to know.

I am impressed with the devotion to quality care demonstrated by Dr. Blood-White. She and the staff are committed to your eye health and will continue providing comprehensive, personalized care with the latest in state-of-the-art technology. I am confident you are in good hands.

Serving my patients has been a great source of satisfaction. Thank you for allowing me the pleasure of caring for your eyes. Through the practice changes, I have great faith one thing will never change – the dedication to your vision care.

Sincerely,

Patrick Harmon, O.D.

Looking Forward

I have found a wonderful home with the patients and staff of Harmon Vision Center. I am overjoyed to carry on the practice legacy by continuing to provide you with great eye care.

You may notice a few changes to the office, including a remodel! We are expanding to better serve our patients. I am also working closely with our lead optician, Chris Burch, to bring you new frame brands. Look for our email surveys to provide us with feedback on the eyewear you want to wear!

Sincerely,

Christi Blood-White, O.D.
